

JAMES MADISON INTERMEDIATE SCHOOL'S International Cultural Evening

James Madison Intermediate School will be hosting its third annual International Cultural Evening on Friday, March 9, 2012, at John Adams Middle School from 6:30 – 8:30 PM.

Last year, the event was a huge success. The JAMS cafetorium had booths which showcased different cultures and traditions with artwork, photos, and artifacts. Everyone particularly enjoyed the food samplings from all over the world. This was followed by a show containing various cultural dances, music and other artistic performances.

It was an amazing evening! We would love to have your help to make this year's event even better. If you are interested in volunteering please indicate on the form. Also, any students at JMI who are interested in participating in the cultural show should complete the form and return to his/her homeroom teacher by Wednesday, January 11, 2012. **We have limited spaces, so please send in the form as soon as possible.**

If you have any questions, or any ideas for additional activities, please contact:
